

## Spacers 7x4,5x11

Article Number: 300001144

### Technical Data

| Attribute             | Value                        |
|-----------------------|------------------------------|
| RoHS                  | RoHS compliant               |
| Colour                | black                        |
| Country of origin     | Germany                      |
| Customs tariff number | 39269097                     |
| Material              | PA glass fibre reinforced 25 |
| Previous part number  | 002-7-4,5-11                 |
| Weight                | 0,315 g                      |
| External diameter     | 7,0 mm                       |
| Flammability          | UL 94 HB                     |
| Height                | 11 mm                        |
| Internal diameter     | 4,5 mm                       |
| Shape                 | round                        |
| Version               | standard                     |

### Description

Black spacers made of PA-GV 25 in the dimensions 7x4,5x11 - ideal as a spacer for technical applications that require form stability and durability at high service temperatures. PA-GV 25 has great strength and stiffness as well as good impact properties. Manufactured in Germany: emico spacer sleeves fulfil first-class quality standards. The material is also RoHS compliant.

## Drawing and Dimension Table

| Attribute | Value   |
|-----------|---------|
| A         | 7,0 mm  |
| B         | 4,5 mm  |
| C         | 11,0 mm |
