

## Spacers 8x6,2x33

Article Number: 300001368

### Technical Data

| Attribute             | Value                        |
|-----------------------|------------------------------|
| RoHS                  | RoHS compliant               |
| Colour                | black                        |
| Country of origin     | Germany                      |
| Customs tariff number | 39269097                     |
| Material              | PA glass fibre reinforced 25 |
| Previous part number  | 002-8-6,2-33                 |
| Weight                | 0,835 g                      |
| External diameter     | 8,0 mm                       |
| Flammability          | UL 94 HB                     |
| Height                | 33 mm                        |
| Internal diameter     | 6,2 mm                       |
| Shape                 | round                        |
| Version               | standard                     |

### Description

Black spacers made of PA-GV 25 in the dimensions 8x6,2x33 - ideal as a spacer for technical applications that require form stability and durability at high service temperatures. PA-GV 25 has great strength and stiffness as well as good impact properties. Manufactured in Germany: emico spacer sleeves fulfil first-class quality standards. The material is also RoHS compliant.

## Drawing and Dimension Table

| Attribute | Value   |
|-----------|---------|
| A         | 8,0 mm  |
| B         | 6,2 mm  |
| C         | 33,0 mm |
