

## Spacers M4 L=9 mm

Article Number: 300001596

### Technical Data

| Attribute              | Value                                           |
|------------------------|-------------------------------------------------|
| RoHS                   | RoHS compliant                                  |
| Colour                 | black                                           |
| Country of origin      | Germany                                         |
| Customs tariff number  | 39269097                                        |
| Material               | PA glass fibre reinforced 25                    |
| Previous part number   | 0021109                                         |
| Weight                 | 0,448 g                                         |
| External diameter      | 8,0 mm                                          |
| Height                 | 9 mm                                            |
| Internal thread length | 9 mm                                            |
| Shape                  | round                                           |
| Thread size            | M4                                              |
| Thread type            | internal thread                                 |
| Version                | internal thread (on both sides) – round outside |

### Description

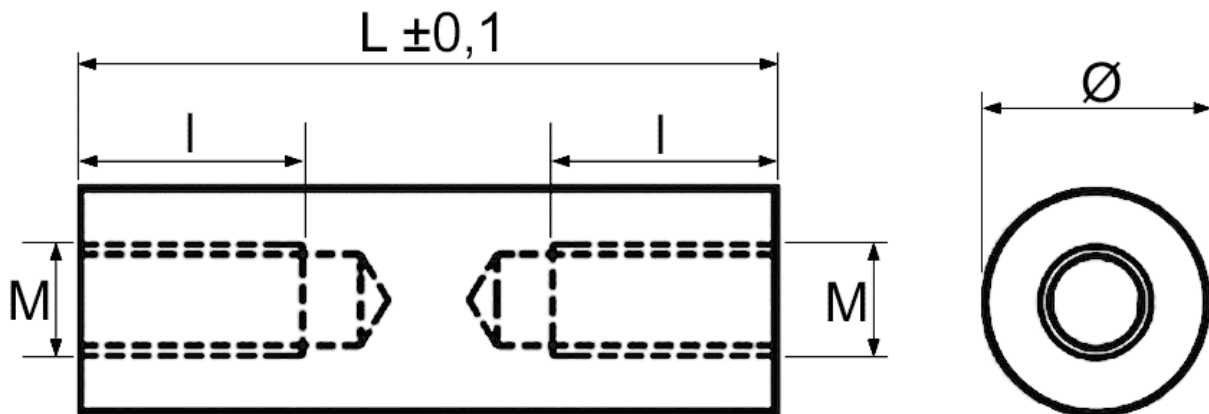

Temperature-resistant until 110°C.

If L = 15 mm -> Thread length l = continuous

If L = 16-20 mm -> 1 mm centre bar

If L >= 21 mm -> Thread length l = 10 mm

## Drawing and Dimension Table

| Attribute | Value  |
|-----------|--------|
| L         | 9,0 mm |
| M         | M4     |
| Ø         | 8,0 mm |
