

## Spacers 6x2,7x35

Article Number: 300010625

### Technical Data

| Attribute             | Value          |
|-----------------------|----------------|
| RoHS                  | RoHS compliant |
| Colour                | natural        |
| Country of origin     | Germany        |
| Customs tariff number | 39269097       |
| Material              | PA 6           |
| Previous part number  | 05-6-2,7-35    |
| External diameter     | 6,0 mm         |
| Flammability          | UL 94 V-2      |
| Height                | 35 mm          |
| Internal diameter     | 2,7 mm         |
| Shape                 | round          |
| Version               | standard       |

### Description

High-quality spacers made of PA 6 in the dimensions 6x2,7x35 - manufactured in Germany. The spacer sleeves can be integrated into a wide variety of components as a distance piece. The low weight and robustness of the sleeves make it easy to attach. Thanks to the PA 6 material, the spacers are very durable. The natural colour blends in visually with any design. Thanks to RoHS conformity, the sleeves are guaranteed to be free from harmful substances.

Please note: Not a stock item. This item is manufactured upon request
