

## Insulating cases 3,1/7,6/6/1/2

Article Number: 300016990

### Technical Data

| Attribute             | Value                        |
|-----------------------|------------------------------|
| RoHS                  | RoHS compliant               |
| Colour                | black                        |
| Country of origin     | Germany                      |
| Customs tariff number | 39269097                     |
| Material              | PA glass fibre reinforced 25 |
| Previous part number  | 3120877599                   |
| Weight                | 0,073 g                      |
| Collar diameter       | 7,6 mm                       |
| External diameter     | 6,0 mm                       |
| Height                | 2 mm                         |
| Internal diameter     | 3,1 mm                       |

### Description

These insulating cases combine electrical insulation with high mechanical strength. As they are resistant to electrolytic corrosion, they are essential for connections between incompatible metals.

## Drawing and Dimension Table

| Attribute | Value  |
|-----------|--------|
| A         | 3,1 mm |
| B         | 7,6 mm |
| C         | 6,0 mm |
| D         | 1,0 mm |
| E         | 2,0 mm |
