

## Insulating cases 5,2/12/6,4/15/20

Article Number: 300017011

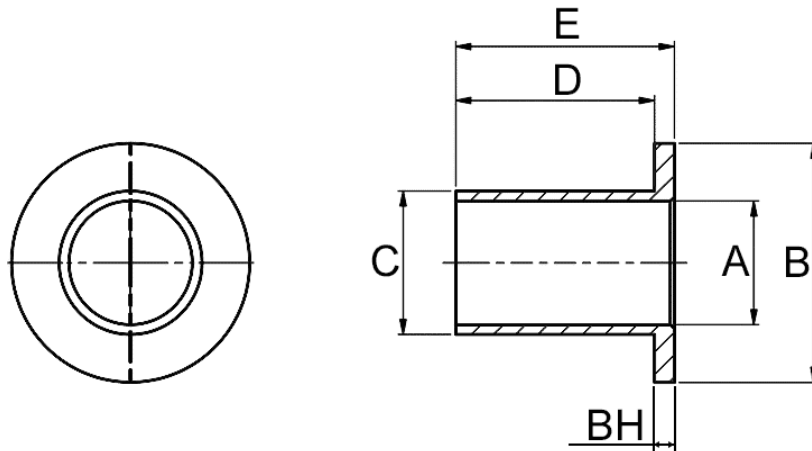

### Technical Data

| Attribute             | Value                        |
|-----------------------|------------------------------|
| RoHS                  | RoHS compliant               |
| Colour                | black                        |
| Country of origin     | Germany                      |
| Customs tariff number | 39269097                     |
| Material              | PA glass fibre reinforced 25 |
| Previous part number  | 3120898599                   |
| Weight                | 0,797 g                      |
| Collar diameter       | 12 mm                        |
| External diameter     | 6,4 mm                       |
| Height                | 20 mm                        |
| Internal diameter     | 5,2 mm                       |

### Description

These insulating cases combine electrical insulation with high mechanical strength. As they are resistant to electrolytic corrosion, they are essential for connections between incompatible metals.
