

## Clamp levers M10x20

Article Number: 300018055

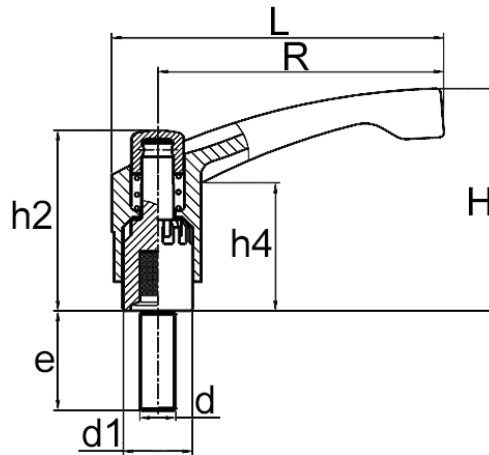

### Technical Data

| Attribute             | Value                           |
|-----------------------|---------------------------------|
| RoHS                  | RoHS compliant                  |
| Colour                | black                           |
| Colour 2              | zinc-plated                     |
| Country of origin     | Spain                           |
| Customs tariff number | 39259010                        |
| Material              | PA6, reinforced with fibreglass |
| Material 2            | steel                           |
| Previous part number  | 6119861511                      |
| Weight                | 38,8 g                          |
| External diameter     | 16,0 mm                         |
| Head height           | 42 mm                           |
| Height                | 48 mm                           |
| Internal height       | 26,0 mm                         |
| Radius                | 65,0 mm                         |
| Thread length         | 20,0 mm                         |
| Thread size           | M10                             |
| Thread type           | steel thread                    |
| Version               | disengage button black          |
| Width                 | 75 mm                           |

### Description

Clamp levers, adjustable with plastic push button

## Drawing and Dimension Table

| Attribute | Value   |
|-----------|---------|
| C         | 1 mm    |
| H         | 48,0 mm |
| L         | 75,0 mm |
| R         | 65,0    |
| D         | M10     |
| D1        | 16,0 mm |
| E         | 20,0 mm |
| H2        | 42,0 mm |
| H4        | 26,0 mm |
