

# Threaded plugs 40x80x2 M20

Article Number: 300018292

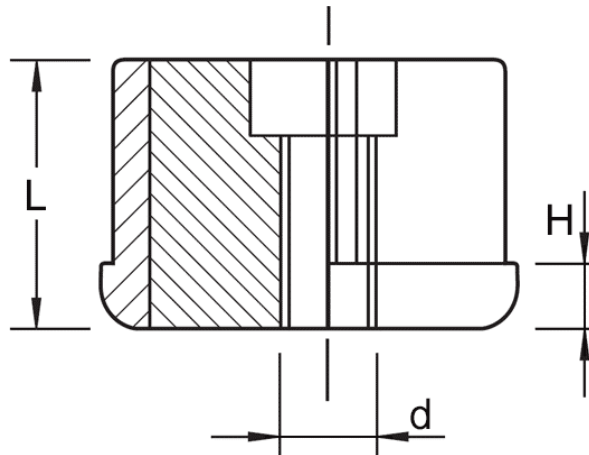

## Technical Data

| Attribute                           | Value                    |
|-------------------------------------|--------------------------|
| RoHS                                | RoHS compliant           |
| Colour                              | black                    |
| Country of origin                   | Spain                    |
| Customs tariff number               | 39259010                 |
| Material                            | PA 6                     |
| Previous part number                | 6428240320               |
| External pipe dimension, long side  | 80 mm                    |
| External pipe dimension, short side | 40 mm                    |
| Head height                         | 10 mm                    |
| Length                              | 45 mm                    |
| Max. load capacity                  | 950 kg                   |
| Pipe wall thickness                 | 2,0 mm                   |
| Shape                               | rectangular              |
| Thread size                         | M20                      |
| Thread type                         | threaded insert of brass |
| Version                             | with thread              |

## Description

with brass insert

## Drawing and Dimension Table

| Attribute | Value      |
|-----------|------------|
| AxS       | 40x80x2 mm |
| H         | 10,0 mm    |
| L         | 45,0 mm    |
| D         | M20        |
